PROGRAM No. 0903 1/19/2009

Pipedreams Live! in Collegedale, Tennessee... instrument, artist, and audience participate in music improvised, played and sung.

Michael Barone was host for a special event featuring the Anton Heiller Memorial Organ at the Collegedale Church of Southern Adventist University in Tennessee. With guest Dutch recitalist Sietze de Vries, he explored and explained the varied sonic possibilities of John Brombaugh's *magnum opus* tracker-action instrument from 1986 (with 70 stops, 108 ranks, and 4861 individual pipes). Genevieve Brown-Kibble directed the campus choir and congregation in lusty song, to which Mr. de Vries provided imaginative improvised accompaniments and interpolations (recorded 10/23/07).
