This program, a presentation of the Dallas Symphony Orchestra and Dallas Chapter of the American Guild of Organists on November 17, 2019, celebrated the musical tradition of France’s world famous church while lamenting the devastating fire of April 15, 2019. Though that has interrupted the Cathedral’s grand musical tradition, we remain with ardent hopes for its continuation before too many years have passed.

PROGRAM No. 2016 **4/20/2020**

For the Beauty of the Earth . . . music for an Earth Day celebration of the world’s splendor and the environment which is our life-support.
